

To whom this may concern in regards to Robin Treadway

Monday December 10, 2018

I worked with Robin Treadway for over five years. I was her assistant director at her child care facility. During the time that I worked with her, I observed her efficiency and willingness to help others. If there is ever a need, you can always count on her to help out, without even having to speak. I have seen her center grow from 20 children to over 100 children, and I believe that it is because of the leadership skills that she demonstrates. Robin creates systems to increase efficiency and productivity. She is a very approachable person and makes everyone feel like they are a part of the team.

If you have any questions, please feel free to contact me. Thank you.
